Math Requirement Flow Chart

Placement Level	LEVEL 1	LEVEL 2	LEVEL 3	LEVEL 4	LEVEL 5

Track 1: For majors that require MAT 106

MAT 106A Math for Liberal Arts with Algebra OR **MAT 106** Math for Liberal Arts

Sciences

MAT 106 is intended to be a terminal course; it does not serve as a prerequisite for any higher level course.

Health Science, Nursing & Psychology

MAT 111 Precalculus + MAT 111L → **MAT 121** Calculus I →

Track 2: For all majors that require MAT 110 or higher:

MAT 101 Elem & Int Algebra + MAT-LAB → **MAT 110** College Algebra + MAT 110L → **MAT 114** Elementary Statistics

Some sciences require higher than MAT 121.

OR ***MAT 102** Algebra & Applications + MAT-LAB

MAT 117 Finite Math → **MAT 120** Calculus for Social Sciences

Start at the level you place into with the course for the track that applies to your major, then follow the sequence until you have fulfilled the requirement(s) for your major.

Business & Computer Science

Check requirements for specific majors in the University Catalog or on the Math Requirements by Major sheet.
