TAX RETURN FILERS—

Important Note: If the student filed, or will file, an amended 2014 IRS tax return, the student must contact the financial aid administrator before completing this section.

Check the box that applies:

- The student has used the IRS Data Retrieval Tool on FAFSA to transfer 2014 IRS income information into the student's FAFSA, either on the initial FAFSA or when making a correction to the FAFSA. *The University will use the IRS information that was transferred in the verification process.*
- The student has not yet used the IRS Data Retrieval Tool in FAFSA on the Web, but will use the tool to retrieve and transfer 2014 IRS income information into the student's FAFSA once the student has filed a 2014 IRS tax return. *The University cannot complete the verification process until the IRS information has been transferred into the FAFSA.*
- The student is unable or chooses not to use the IRS Data Retrieval Tool in FAFSA on the Web, and the student will submit to the school a **2014 IRS tax return transcript**—not a photocopy of the income tax return. *To obtain an IRS tax return transcript, go to www.irs.gov and click on the "Order a Return or Account Transcript" link, or call 1-800-908-9946. Make sure to request the "IRS tax return transcript" and not the "IRS tax account transcript." You will need your Social Security Number, date of birth, and the address on file with the IRS (normally this will be the address used when the 2014 IRS tax return was filed). It takes up to two weeks for IRS income information to be available for electronic IRS tax return filers, and up to eight weeks for paper IRS tax return filers.*
- Check here if the student's IRS tax return transcript is attached to this worksheet.*
- Check here if the student's IRS tax return transcript will be submitted to the University later. Verification cannot be completed until the IRS tax return transcript has been submitted to the University.*
