WELCOME

A Welcome Message from our HR Team

Lincoln University cares about your health and well-being, and we are dedicated to providing a comprehensive and competitive benefits package to you and your family. Our benefits programs account for a significant portion of your total compensation package. As an employee, you are eligible for a variety of valuable benefits such as medical, vision, and dental insurance, life and disability coverage, retirement programs, tuition reimbursement, flexible savings accounts, as well as additional services such as employee assistance programs, gym discount programs, and much more!

Over the past decade, as health care costs have continued to rise nationally, Lincoln University remains committed to offering a comprehensive benefits package that is affordable for you and your family.

Whether you are receiving this guide as a current employee, a new hire, or a prospective hire, Lincoln University is very proud to present this 2022-2023 Benefits Guide to you. We are confident that you will find it useful and insightful. This guide provides you with information that details the generous benefit package Lincoln University offers. Please take time to review this 2022-2023 Benefits Guide carefully.

If you should have any questions regarding any of the information presented or require additional information about Lincoln University's benefits and retirement programs, please contact Mary-Michael Rosling, Benefits and Compensation Specialist, at hrbenefits@lincoln.edu or 484-365-5189 (ext. 5189).

In the following pages, you will find a summary of our benefit plans for 2022-2023.

Please read this guidebook carefully as you prepare to make your elections for the upcoming plan year to ensure that you select the coverage that is right for you.

This summary briefly describes the highlights of Lincoln University's benefits programs. Please refer to the plan booklets for detailed information.

You should be aware that any and all elements of Lincoln University's benefits program may be modified in the future, at any time, to meet Internal Revenue Service rules, or otherwise as decided by Lincoln University.

OVERVIEW

Open Enrollment is taking place from April 11 to May 20 for benefits effective July 1.

Plan Year:

July 1, 2022 – June 30, 2023

Lincoln University understands the importance of benefits to you and your family and the value that comes from having a high-quality benefits plan. The University Benefits Plan is competitive and comprehensive, offering you a full array of benefits that allow you to choose coverage that best meets the needs of you and your family.

All full-time employees working 30 hours or more per week are eligible for benefits. Your spouse, domestic partner and eligible dependent children (to age 26) may be eligible to enroll in benefits.

If you are newly benefit eligible or a new hire, you are eligible for benefits on the first of the month coincident with or following your full-time date of employment.

This benefits brochure is a summary of the benefits provided by the University and does not provide all details regarding the benefits plans. For additional information, please refer to the Summary Plan Descriptions (SPDs) that can be accessed on the University website.

ELIGIBLE DEPENDENTS

The elections you make will remain in effect through June 30, 2023, unless you, your spouse, domestic partner, or your dependent child(ren) experience a qualified change-in-status event.

Spouse:

- A person to whom you are legally married. Such a person remains a spouse until a decree of divorce is issued.

Domestic Partner:

- A partner of any gender with whom you are in a committed relationship and share a residence, but are not joined by marriage. Domestic Partner coverage is contingent upon proof of partnership.

Disabled Dependent:

- A child who is dependent on you or your spouse/domestic partner as a result of mental or physical incapacity; or
- A child who is disabled prior to reaching the maximum age allowed under the plan.

Child:

- A child who is yours by birth or legal adoption;
- Your spouse/domestic partner's child by birth or legal adoption;
- One whose medical care is the legal obligation of you or your spouse/domestic partner as per a court order or court approved requirement;
- The subject of a child support order that recognizes the right of that person to receive benefits under your medical coverage, issued by a court or administrative agency of any US State or US Territory;
- Your grandchild in the court-ordered custody of you or your spouse/domestic partner;
- A child who is your dependent and who is in the guardianship of you or your spouse/domestic partner; or
- A legal dependent child under the age of 26. Coverage will cease at the end of the month in which the dependent reaches age 26.

CHANGE-IN-STATUS EVENTS

As you make your benefit elections, please keep in mind that these elections and the related payroll deductions generally cannot be cancelled or changed until your next open enrollment period. However, you may request to make a change in your coverage if (1) you, your spouse, your domestic partner or your dependent experience a change-in-status event and (2) the change-in-status event affects you, your spouse's, your domestic partner's or your dependent's eligibility for coverage under this plan or another employer's plan.

Allowable events are changes in:

- Legal marital status, including marriage, divorce, annulment; or death of spouse or domestic partner;
- Number of dependents due to birth, adoption, placement for adoption, or death;
- Employment for you, your spouse, domestic partner or your dependent, including commencement or termination;
- Hours of employment, including a switch between full-time and part-time status or the commencement or return from a leave of absence;
- Eligibility status of your dependent due to attainment of age, change in student status, or any similar circumstance; and
- An election or change under your spouse, domestic partner or dependent's employer's plan during an open enrollment period that does not correspond with this plan's open enrollment period.

A request for a benefit election change cannot be processed unless you contact Human Resources within 30 days of the change-in status event and provide the required documentation provided to support the change requested.

WHAT HAPPENS IF I DON'T ENROLL?

Our Open Enrollment this year is an **active enrollment** for Flexible Spending and Dependent Care accounts. You must go online to Paycor and make your elections.

If you fail to elect benefits online via Paycor, any current Flexible Spending and Dependent Care Spending elections will be considered waived.

Current benefit elections for all other plans will automatically roll over to the next plan year.

WHAT'S NEW FOR 2022-2023?

- Increased our coverage to now include Domestic Partners
- YMCA Virtual Class Benefit and Membership discounts added
- GradFin benefit from IBC added

HOW TO ENROLL IN YOUR BENEFITS WITH PAYCOR

Paycor is part of a secure web hosted system that you will access via your internet browser. Within the Employee Self Service system, employees are able to access their time cards, request leave, review benefits, and see their payroll information.

HOW TO ACCESS – www.paycor.com

To view your benefits, follow these steps:

- Step 1:** Log in to using your user name and password.
- Step 2:** Under the “ME” tab, click on “Benefits”. You will then be taken to your Benefits Home screen.
- Step 3:** On this screen you will see a blue box that says “Start Your Enrollment”. Click on this and it will take you to your benefits enrollment.

PAYCOR ENROLLMENT

Log in to Paycor and Navigate to Benefits Enrollment

The Paycor benefits website is your online resource to confirm your benefit coverage, review benefit plan details and obtain benefits claims forms. This functional online tool puts your benefits at your fingertips. With just a few clicks you can:

- Review benefits plan documents and resources;
- Enroll in your benefits during the designated enrollment period;
- Review current benefits elections for your entire family; and
- Update your life insurance beneficiaries (via the link to Enroll VB).

- Call EnrollVB at 877-454-3001.
- Benefit counselors are available Monday through Friday from 8 a.m. to 7 p.m. ET.

MEDICAL PLAN COMPARISON

Lincoln University offers medical insurance through Independence Blue Cross. With the two EPO plans, you may go to any doctor within the Personal Choice or National BlueCard Network. No referrals are required.

With Keystone HMO, you must select a primary care doctor with Keystone and obtain referrals for all specialty and elective services in order to have those services covered. In addition, your primary care doctor is required to send you to certain designated or "capitated" sites for diagnostic testing, imaging and therapies. Capitated sites are usually located within the primary care office locale.

Members may wish to utilize the member website at www.ibxpress.com for important member information, including explanation of benefits (EOBs). Claims and other member activity is also consolidated in the Member Health Statement, a single user-friendly statement that members can find on the portal.

PREVENTIVE CARE

Taking care of ourselves is extremely important!

WHAT ARE PREVENTIVE SERVICES?

Preventive services typically include yearly check-ups, screenings, and immunizations that can help you and your family members stay healthy and avoid or delay health problems.

WHAT IS COVERED 100% AS PREVENTIVE CARE UNDER IBC?*

- Preventive Exams
- Mammograms
- Depression Screenings
- Cholesterol Testing
- Immunizations

**Age and frequency schedules apply to all preventive care.*

PRESCRIPTION DRUG COVERAGE

RETAIL PRESCRIPTION DRUG STORES

You may have your prescriptions filled nationwide at any participating Futurescripts pharmacy. Quantities dispensed at the retail level will not exceed more than a 30-day supply of medicine per one retail copay.

Please note: Certain medications may require prior authorization or limitations per the terms of the plan.

PRESCRIPTION DRUG MAIL ORDER

The mail order program benefits individuals who are on long-term medication therapies, for those who have chronic conditions such as diabetes, asthma, or high blood pressure. By ordering prescriptions by mail, you will receive a three-month supply for only two times the retail cost. If you wish to take advantage of this benefit, it is recommended that you have your physician write out two prescriptions:

- One for a 30-day supply to be filled first at the pharmacy; and
- And a second prescription for a 90-day supply (or up to one year) to be used for mail order. Be sure to fill the 30-day supply before mailing the 90-day supply request to avoid fulfillment issues. This will ensure that you will not be without your prescription before you receive your order in the mail.

Complete the Mail Order Form with your first order only. Send the completed Mail Order Form plus the original prescription and the appropriate payment to Futurescripts. Your order will be processed and mailed to you within 10-14 days from the day you mailed your order, along with re-order instructions for future refills.

To obtain a mail order form log on to: www.Futurescripts.com

PRESCRIPTION DRUG SPECIALTY DRUGS – Optum Specialty Rx Pharmacy

Specialty pharmacy drugs are typically drugs that are administered by the patient. These may include, but are not limited to, drugs that are taken orally, by injection, or infusion. Specialty drugs meet certain criteria including, but not limited to:

- Drugs used to treat rare, complex, or chronic diseases;
- Drugs that have complex storage and/or shipping requirements; and
- Drugs that require comprehensive patient monitoring and education.

Members will be allowed to obtain the first prescription at a retail pharmacy; however, subsequent refills will need to be obtained at a Optum Specialty Rx pharmacy. For additional information about the Independence Mandatory Specialty Pharmacy benefit program, members should call the phone number on their ID card.

PRESCRIPTION DRUG COVERAGE	RETAIL (30-DAY SUPPLY)	MAIL ORDER (90-DAY SUPPLY)
Generic	\$10	\$20
Preferred Brand	\$45	\$90
Non-Formulary	\$60	\$120
Specialty	\$100	N/A

BLUE CROSS VALUE ADDED PROGRAMS

**Independence** The logo for Independence Blue Cross, featuring a blue cross with a white medical symbol inside.

GRADFIN STUDENT LOAN SERVICES

GradFin student loan debt reduction solutions are available as a value-added benefit* at no cost to you from Independence Blue Cross (Independence), even if you do not have an Independence health plan. This service can help you and your family find the best strategies to save for college and reduce your student loan debt.

GradFin offerings

GradFin offers core and exclusive value-added student loan services that can improve your financial well-being. Each program helps you pay off your student loans faster so you can begin saving for the future.

Core services

- Student Loan Financial Education. You will learn about your options for reducing student loan debt during personal consultations, live webinars, and "town hall" meetings.
- Student Loan Refinancing. GradFin refinances and consolidates your student loan(s) through a lending platform made up of 11 lenders to maximize the chances for you being approved for a new loan and find the lowest rates.
- Public Service Loan Forgiveness (PSLF) Program. The PSLF keeps you compliant with federal loan forgiveness programs by enrolling your loans, verifying your employment, annually certifying your income-based repayment plan, and auditing your "qualified payments." You and your family members can participate in this program if you or your family members are employed at a 501(c)3 nonprofit.

Exclusive value-adds from Independence

- Bonus towards principal. GradFin provides a \$100 bonus towards the loan principal when originating or refinancing loans through GradFin.
- PSLF pricing concession. If you're employed at a 501(c)3 nonprofit, you can participate in the PSLF membership program for a flat rate of \$100 per year, which is more than half the rate of a regular membership. Your family members may also take advantage of this offer.
- Dedicated loan consultants and scheduling. You have access to one-on-one consultations and dedicated consultants and appointments.

BLUE CROSS VALUE ADDED PROGRAMS (CONTINUED)

THE COLLEGE TUITION BENEFIT®

Helping Families Pay for College

As a subscriber of Independence Blue Cross (Independence) you will earn Tuition Rewards® that can be used at a SAGE Scholar's member college. This value-added benefit is being provided to you by your employer and The College Tuition Benefit®.

The program works much like a scholarship program, where the Tuition Rewards® are spread evenly over the four years of undergraduate education. The Tuition Rewards® can be used at one of approximately 400 participating colleges and universities nationwide, with 80% ranked among "America's Best" by U.S. News and World Report.

How it works:

- When you sign up, you earn 2,000 Points each year and an additional 2,500 Points in year four.² The longer you remain with your employer, the more Tuition Reward Points you can accrue.
- One Tuition Rewards Point equals a \$1 minimum discount off of the full price of tuition at a SAGE Scholars college or university.
- You can sponsor your children, grandchildren, nieces, nephews, stepchildren, and godchildren.
- Tuition Rewards Points can be used at over 400 participating SAGE Scholars private colleges and universities nationwide.

Important Deadlines

A child must be registered by **Aug. 31** of the year he or she enters 12th grade of high school.

The last day to allocate tuition rewards to a registered student is **Aug. 31** of the year he or she enters 12th grade of high school.

FLEXIBLE SPENDING ACCOUNTS (FSA)

HEALTHCARE FSA

Lincoln University provides you the opportunity to pay for out-of-pocket medical, dental, vision and some approved over-the-counter expenses with pre-tax dollars through a Health Care Flexible Spending Account (FSA). You must enroll/re-enroll in the plan to participate for the plan year July 1, 2022 to June 30, 2023. You can save approximately 25% of each dollar spent on these expenses when you participate in a FSA. Your actual savings will be based on your personal tax situation.

A Health Care FSA is used to reimburse out-of-pocket medical, dental, vision and approved over the counter expenses incurred by you and your dependents. For a list of approved expenses go to <https://www.wexinc.com/insights/benefits-toolkit/eligible-expenses>.

Contributions you make to your FSA come out of your paycheck before any taxes are taken. This means that you don't pay federal income tax, Social Security taxes, or state and local income taxes on the portion of your pay you contribute to your FSA. You should carefully estimate the amount of money you expect to pay out-of-pocket for eligible expenses for the plan period. If you do not use the money you contributed to the FSA, up to \$570 can be carried forward to the next plan year. Any dollar amount over the \$570 carry-over will be lost if not used by June 30. This is the "use-it-or-lose-it rule", as stipulated by the IRS.

The IRS maximum for a Health Care Flexible Spending account for 2022 is \$2,850.

DEPENDENT CARE FSA

If you pay for daycare or after school care, consider enrolling in the Dependent Care Account. A Dependent Care Flexible Spending Account allows you to be reimbursed on a pre-tax basis for child care for children under the age of 13 or adult dependent care expenses for qualified dependents that are necessary to allow you or your spouse/domestic partner to work, look for work, or attend school full-time.

It can also be used for children of any age who are physically or mentally incapable of self-care, as well as adult day care for senior citizen dependents who live with you, such as parents or grandparents, if the expenses for your dependents meet the IRS definition of dependent care expenses for income tax purposes.

The Dependent Care FSA maximum is capped at \$5,000 per year, per household per the IRS. Married spouses/domestic partners can each elect an FSA, but their total combined elections cannot exceed \$5,000. At tax time, all withdrawals in excess of \$5,000 are taxed.

USE IT OR LOSE IT

If you do not use your funds by the expiration of the plan year, you may run the risk of forfeiture. IRS regulations are very strict about this provision.

Please note: Our Healthcare FSA does permit up to a \$570 carry-over of unused funds into the next plan year, per IRS guidelines.

SAVINGS EXAMPLE: AN FSA PARTICIPANT WITH \$1,000 OF OUT-OF-POCKET EXPENSES

	Without FSA	With FSA
Gross pay	\$25,000	\$25,000
FSA Contribution	\$0	-\$1,000

UNIVERSITY PAID BENEFITS

Lincoln University provides, at no cost to you, a Life and Accidental Death Benefit, as well as short- and long-term disability coverage.

BASIC LIFE INSURANCE AND AD&D

1 times your annual base earnings, rounded to the next higher \$1,000, to a maximum of \$200,000*. You name a primary and secondary beneficiary within Paycor and may change that designation at any time. You should review your beneficiary each year.

*REDUCTION AT AGE 70	*REDUCTION AT AGE 75
65% of the amount of life insurance you had prior to age 70.	50% of the amount of life insurance you had prior to your first reduction.
65% of the amount of life insurance shown above if you become insured on or after age 70 but before age 75.	50% of the amount of life insurance shown above if you become insured on or after age 75.

**Same Age Reduction schedule used for the Basic Life applies to the Voluntary Life coverage.*

Disability insurance can provide a sense of security, knowing that if the unexpected should happen, you can still provide for yourself and your family.

SHORT-TERM DISABILITY

If you are disabled due to an illness or accident that occurred off the job, you may receive benefits through the Short-Term Disability Plan. Benefits begin on the 31st day of a disability due to an illness or accident. The maximum benefit duration is 9 weeks. The plan provides 60% of your pre-disability earnings up to a \$1,000 weekly maximum.

LONG-TERM DISABILITY

If you are disabled for longer than 90 days, you may receive benefits through the Long-Term Disability Plan, which provides a monthly benefit of 60% of pre-disability earnings, to a maximum of \$5,000 per month.

VOLUNTARY LIFE INSURANCE AND AD&D

Lincoln University offers a Voluntary Life/AD&D insurance benefit through UNUM which provides you with the opportunity to purchase additional life insurance for yourself, your spouse, and your dependent children at group rates via a payroll deduction (with post-tax dollars).

	BENEFITS PURCHASED IN INCREMENTS	MAXIMUM BENEFIT*	GUARANTEE ISSUE (NO MEDICAL QUESTION)**
Employee	\$10,000 Increments	Not to exceed 5x salary or \$500,000	\$110,000
Spouse or Domestic Partner	\$5,000 Increments	Not to exceed 100% of EE election and approved to \$500,000	\$30,000
Children	\$2,000 Increments	\$10,000	\$10,000

Guarantee issue applies to employee, spouse/domestic partner and child(ren), when the employee is first eligible from date of hire.

**Same Age Reduction schedule used for the Basic Life applies to the Voluntary Life coverage.*

***Each Open Enrollment, an employee that is already enrolled in the voluntary coverage may elect up to the guarantee issue without medical questions.*

VOLUNTARY GROUP CRITICAL ILLNESS

Critical Illness provides enrollees a lump-sum benefit at the time of the diagnosis of a covered illness*. You may choose a lump-sum benefit from \$5,000 to \$50,000; you may then use that benefit any way you see fit.

You can use the coverage more than once. If you receive the full benefit for a covered illness, your coverage can be continued for remaining conditions. The diagnosis of new conditions must occur at least 90 days after the most recent diagnosis. Each condition is payable once per lifetime.

WHAT TYPE OF COVERAGE IS AVAILABLE?	
Employee	\$5,000 to \$50,000 in \$1,000 increments
Dependent Children (newborn until 26th birthday, regardless of marital status or student status)	Automatically covered at 25% of the employee amount (no additional cost)
Spouse (ages 17-64 with purchase of employee coverage)	\$5,000 to \$30,000 in \$1,000 increments

COVERED CONDITIONS	OPTIONAL CANCER COVERAGE	SPECIFIC CHILDHOOD CONDITIONS
<ul style="list-style-type: none"> • Blindness • Stroke • Coma • Heart attack • Occupational HIV • Benign brain tumor • Major organ failure • End-stage renal (kidney) failure • Coronary artery bypass surgery (25%) 	<ul style="list-style-type: none"> • Cancer • Carcinoma in situ (25%) 	<ul style="list-style-type: none"> • Cerebral palsy • Cleft lip or palate • Cystic Fibrosis • Down syndrome • Spina bifida

**Pre-existing Condition Limitation: This means a sickness or physical condition that existed within 3 months before the coverage effective date. The Condition would be pre-existing if (1) Symptoms existed that would cause a person to seek advice or treatment from a doctor; or (2) You were treated, received advice from a doctor, or took prescribed medicine. This limitation means that the critical illness benefit will not be paid during the first 12 months the policy is in force for a pre-existing condition.*

COBRA

Model General Notice of COBRA Continuation Coverage Rights

** Continuation Coverage Rights Under COBRA**

Introduction

Note: This does not replace the COBRA notification letter from your employer.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA).

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a “qualifying event.” Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a “qualified beneficiary.” You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage are required to pay for COBRA continuation coverage.

If you’re an employee, you’ll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you’re the spouse of an employee, you’ll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your spouse dies;
- Your spouse’s hours of employment are reduced;
- Your spouse’s employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:

- The parent-employee dies;
- The parent-employee’s hours of employment are reduced;
- The parent-employee’s employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a “dependent child.”

When is COBRA continuation coverage available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events: The end of employment or reduction of hours of employment; Death of the employee; or the employee’s becoming entitled to Medicare benefits (under Part A, Part B, or both).

For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child’s losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs.

How is COBRA continuation coverage provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage. There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

Disability extension of 18-month period of COBRA continuation coverage

If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage.

Second qualifying event extension of 18-month period of continuation coverage

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

Are there other coverage options besides COBRA Continuation Coverage?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse’s plan) through what is called a “special enrollment period.” Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.HealthCare.gov.

If you have questions

Questions concerning your Plan or your COBRA continuation coverage rights should be addressed to the contact or contacts identified below. For more information about your rights under the Employee Retirement Income Security Act (ERISA), including COBRA, the Patient Protection and Affordable Care Act, and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor’s Employee Benefits Security Administration (EBSA) in your area or visit www.dol.gov/ebsa. (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA’s website.) For more information about the Marketplace, visit www.HealthCare.gov.

Keep your Plan informed of address changes

To protect your family’s rights, let the Plan Administrator know about any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

LEGAL NOTICES

Important Notice from Lincoln University About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Lincoln University and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice. There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Lincoln University has determined that the prescription drug coverage offered through the company-sponsored medical plans is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15 through December 7. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two-month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide To Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your Lincoln University coverage will not be affected. You can keep this coverage even if you elect Part D; the plan will coordinate with Part D coverage. If you are an active associate and decide to join a Medicare drug plan and drop your current Lincoln University coverage, be aware that you and your dependents will be able to get this coverage back, provided you are still eligible to participate in the Lincoln University Medical Plan.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Lincoln University and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go 19 months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For more information about this notice or your current prescription drug coverage: Contact the person listed below for further information.

Note: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Lincoln University changes. You also may request a copy of this notice at any time.

For more information about your options under Medicare prescription drug coverage:

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage: Visit www.medicare.gov.

Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help.

Call 1.800.MEDICARE (1.800.633.4227). TTY users should call 1.877.486.2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1.800.772.1213 (TTY 1.800.325.0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Health Insurance Marketplace Coverage Options and Your Health Coverage

Dear Lincoln University Associate:

Key parts of the Affordable Care Act, also known as the healthcare reform law, that went into effect January 1, 2014. As of this date, the healthcare reform law will require almost all Americans to have healthcare coverage or be subject to a penalty tax. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace for buying health insurance and about health coverage at Lincoln University.

If you are eligible for health coverage through Lincoln University, your coverage will likely be more affordable through Lincoln University health plans, or if applicable and available, through your spouse's or your parent's employer plan (if you are under the age of 26).

If you are not eligible for Lincoln University health plans, you should consider other options available to you, such as coverage through your spouse's employer plan, your parent's employer plan (if you are under the age of 26), Medicaid, Medicare or your state's Marketplace. Enrollment in the Marketplace will begin in October. You may be eligible for a federal subsidy (in the form of a tax credit) in order to make buying insurance through the Marketplace more affordable. The subsidy you may be eligible for depends on your household income. If you are eligible for health coverage from Lincoln University you will not be eligible for the subsidy (tax credit) through the Marketplace. Therefore, you may wish to enroll in Lincoln University health plan.

If you decide to enroll through the Marketplace, you should be prepared to provide the Marketplace with the following information about Lincoln University and our plans:

Employer Name:	Mary-Michael Rosling, Benefits Administrator, Lincoln University
Employer Identification Number (EIN):	23-1352655
Employer Address:	1570 Baltimore Pike, Lincoln University, PA 19352
Employer Telephone Number:	484-365-5189
Name of contact for employee health coverage:	Mary-Michael Rosling

What Is The Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. It offers "one-stop shopping" to find and compare private health insurance options. All U.S. citizens and legal residents will have access to individual health insurance policies through their state's Marketplace.

Open enrollment for health insurance coverage through the Marketplace begins November 1, 2021 through December 15, 2021 for coverage starting January 1, 2022. To find out more about the Marketplace in the state where you live, visit www.healthcare.gov.

Can You Save Money On Health Insurance Premiums In The Marketplace?

If you are not eligible for benefits at Lincoln University, you may be eligible for a federal subsidy (in the form of a tax credit) that lowers your monthly premium for coverage purchased through the Marketplace.

Are There Situations When I Can Qualify For A Tax Credit Even Though I Am Eligible For Coverage Through My Or My Spouse/Parent's Employer's Health Plan?

Under the healthcare reform law, some people may be eligible for a tax credit that lowers their monthly premiums or deductibles if their employer does not offer coverage at all or does not offer coverage that meets certain standards. You may be eligible for a federal subsidy if the cost of a plan from an employer for employee-only coverage is more than 9.56% of your household income for the year, or if the coverage the employer provides does not meet the "minimum value" standard set by the healthcare reform law.

Lincoln University health coverage will meet the requirements (cost and "minimum value") of the healthcare reform law.

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by Lincoln University, then you won't be eligible for Lincoln University contribution to the Company-offered coverage. Also, this Company contribution — as well as your employee contribution to employer-offered coverage — is often excluded from income for federal and state income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

Why Are You Sending This Information?

Most U.S. employers are required to send this notice to employees to raise awareness of the new Marketplace and to help them understand how having access to their employer's healthcare plan may limit their eligibility for a subsidy in the Marketplace.

How Can I Get More Information?

Visit www.healthcare.gov.

Sincerely,
Lincoln University

Protecting Your Health Information Privacy Rights

Lincoln University is committed to the privacy of your health information. The administrators of the your benefits use strict privacy standards to protect your health information from unauthorized use or disclosure.

The Plan's policies protecting your privacy rights and your rights under the law are described in the Plan's Notice of Privacy Practices. You may receive a copy of the Notice of Privacy Practices by contacting Human Resources.

Women's Health and Cancer Rights Act (WHCRA)

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed; Applicable surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. Therefore, deductibles and coinsurance apply. If you would like more information on WHCRA benefits, call your plan administrator or contact your HR Department.

Notice Regarding the Newborns' Act

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours). If you would like more information, please visit www.dol.gov/EBSA.

HIPAA Special Enrollment Rights Notice

If you are declining enrollment for yourself or any of your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage).

However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage). In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your

dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption. You also may be able to enroll if you or a dependent lose eligibility for coverage under a State Medicaid or CHIP program, or become eligible for State premium assistance under a Medicaid or CHIP program.

However, you must request enrollment within 60 days after losing eligibility for Medicaid or CHIP, or becoming eligible for premium assistance.

To request special enrollment or obtain more information contact Human Resources.

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov. If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed on the next page, contact your State Medicaid or CHIP office to find out if premium assistance is available. If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan. If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272). If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums.

The following list of states on the following page is current as of May 2022. Contact your State for more information on eligibility –
