#### LINCOLN UNIVERSITY HOMECOMING 2021 MASK & VACCINE GUIDELINES

In alignment with our vaccine mandate for the Lincoln community and our continued efforts to meet the challenges of the pandemic, we are requiring all who wish to attend Lincoln University's homecoming festivities to be fully vaccinated against the COVID-19 virus with proof OR provide a negative COVID-19 test result within 72 hours of arrival to Lincoln University's main campus. There are no exemptions to this mandate.

Furthermore, Lincoln University is committed to additional protections through social distancing wherever possible and will be monitored by University officials.

#### Additional Guidance:

- Face coverings are required in all indoor spaces and buildings
- Lincoln University strongly encourages the use of face coverings within large outdoor gatherings

Lincoln University is actively monitoring the rate of COVID-19 positivity in the state of Pennsylvania as well as surrounding states and we are prepared to cancel any and all events at any time in the interest of campus and public health.
