

# STOP THE SPREAD

## WASH YOUR HANDS FREQUENTLY

Regularly and thoroughly clean your hands with an alcohol-based hand rub or wash them with soap and water.

## MAINTAIN PHYSICAL DISTANCING

Maintain at least 6 feet distance between yourself and anyone at all times especially if they are coughing or sneezing.

## MUST WEAR MASK AT ALL TIMES

Always carry a mask when moving about the campus.

Hands touch many surfaces and can pick up viruses. Once contaminated, hands can transfer the virus to your eyes, nose or mouth.

## IF YOU HAVE A FEVER, COUGH AND DIFFICULTY BREATHING, SEEK MEDICAL CARE EARLY

Stay home if you feel unwell. If you have a fever, cough and difficulty breathing, seek medical attention from Health Services.
