BREAKOUT ROOM INSTRUCTIONS

Resources:

- [Strategic themes and objectives](#)
- [Strategic Plan dashboard](#)

Background Information

- This breakout session will be a 45 minute working session.
- You have been placed in a breakout room with a specific strategic theme assigned to the room. You were selected to be part of this group based on your assigned working group or role in the University.

Pillars

1. Enhancing Academic Quality
2. Improving the Student Experience
3. Addressing the Student Financial Gap
4. Improving Infrastructure

Instructions

- Please identify a note taker for the group and at least one person who will report back to the council.
- The group will review the assigned strategic theme, keeping the four pillars discussed by Dr. Allen
- As a group, view the strategic plan dashboard. Review the indicators provided on the dashboard to answer the following questions?
 - Do these indicators align with the strategic themes and objectives?
 - Think about the work you do at the University. What is one indicator that can be added to this strategic theme?
 - How can this strategic theme apply to each of the four pillars?
 - Is there an indicator or measurement we can report to monitor progress?

Deliverables

- The room attendees will identify a *note taker and a reporter* who will submit a summary of the discussion and outcomes. The reporter will report out to the large group, time permitting.
