I. PURPOSE

Westchester Community College (hereafter referred to as WCC), a community college in Westchester County, New York and Lincoln University, an institution in County, State, agree to articulate the programs outlined in this document to ensure a smooth transfer process for Westchester Community College graduates.

The purpose of this Articulation Agreement (the "Agreement") is to establish collaboration between **Westchester Community College** and Lincoln University, to promote degree completion and facilitate the transfer process. This Agreement provides assurance that students will matriculate into Lincoln University with junior standing, known as a "2 + 2" agreement. The following general principles guide the operation of this Agreement:

II. ADMISSIONS

This agreement applies to those students who have followed the Westchester Community College fall 2015 undergraduate catalog requirements, or thereafter. Any pre-existing agreements with Lincoln University continue to apply to students prior to fall 2015.

This agreement only applies to students who have successfully met graduation requirements prior to enrollment at the transfer institution. They will be accepted to Lincoln University based on the following conditions:

UPON MEETING TRANSFER REQUIREMENTS

Upon meeting transfer admission requirements students will transfer with **junior standing** at the receiving institution. Students who transfer from Westchester Community College to Lincoln University are expected to adhere to general academic policies and procedures required for admission to the College, and to fulfill any particular requirements (regarding GPA, prerequisites, clinical experience, etc.) that may be in place for certain academic programs at the College. The Lincoln University catalogue specifies, in detail, all relevant policies and procedures.

III. ACCEPTANCE OF CREDITS

A minimum of 60 credits from the associate degree will be applied toward the completion of the articulated bachelor's degree program.

A maximum of 65 credits will be applied toward the completion of the articulated bachelor's degree program.

If all credits do not count for requirements in the major, they will then count as elective credit toward the degree.

Students will receive a transfer credit evaluation at the time of admission.

IV. REMAINING CREDITS AT RECEIVING INSTITUTION

Students who attend Lincoln University under this agreement will be required to fulfill Lincoln University's bachelor's degree requirements that are in effect the semester/year they matriculate, not to exceed the number of remaining credits outlined in Appendix A.

V. GENERAL EDUCATION CREDITS

By virtue of completion of the A.A. or A.S. degree at WCC, all students will be waived of the lower level general education/core requirements at the receiving institution. Students will not be required to take any additional lower level general education/core requirements.
