

Advance Payment Request

The Office of Veterans Affairs strives to inform you of your options and the impact your decisions could have on the funding of your education. While Advance Pay is an option provided by the U.S. Department of Veterans Affairs, we want to ensure you are aware of the timeline and challenges that may arise when you select this option. In order for your classes to be certified for Advance Pay with the U.S. Department of Veterans Affairs please read, sign and submit this disclaimer.

Please read the following carefully:

The Advance Pay option for GI Bill® students is available upon request. However, the outcome from that choice could result in a 4-6 week processing delay. As a result of this delay, almost all students who request Advance Pay do not receive the advanced payment until over half-way through the semester.

Advance Pay payments are mailed to Lincoln University in check form because there is no direct deposit option for Advance Pay. Once this check is received, it **MUST BE** picked up in-person from the Office of Veterans Affairs located in Wright Hall, Room 101.

The Advance Pay Disclaimer must be completed for each semester you plan to request advanced payment. This is required to ensure that the Office of Veterans Affairs does not mistakenly process out subsequent semesters under the Advance Pay option without your prior consent.
