Sexual Violence Prevention and Education: NO MORE Campaign

1 in 4 women and 1 in 6 men were sexually abused before the age of 18. Silence and lack of knowledge about domestic violence and sexual assault play a large part in why they persist. Simply wanting to help is a huge step toward ending the shame and stigma that survivors are burdened with. Learn how to recognize DV/SA, what to do when you see it and how to stop it before it happens. Together we can "Protect the Pride" and say "NO MORE" to acts of sexual violence.
