## Message from the Dean of Students

As you know spring semester courses will begin remotely on January 25, 2021 and I am pleased to announce that we are planning to welcome to campus any student who chooses to return. Any student who decides to remain remote must complete the remote learning form which will be released next week. President Allen will also be releasing information shortly that outlines the requirements and expectation for your safe return to campus. Please know that your thoughts and concerns will be heard and that student success is at the forefront of what we hope to accomplish. Please also check your LU email, the student wire, and the website for additional information.
