## Emergency Aid Funds

Lincoln University has partnered with Ascendium to provide an Emergency Aid program. The program is designed to assist students with covering unforeseen emergency expenses that, left unaddressed, could cause a student to drop out. Funds can be used to assist students with emergencies related to food, housing, utilities, and other expenses. No cash/payments can go directly to the student; any and all payments will be sent to the 3rd party vendor. Students can apply at the below link.
