Today: 3-part 3D Printing Workshop

Join CEO & Founder of Syncware Technologies, Inc. Marcus Gray, for a 3-part workshop that will allow participants to learn the basics of 3D printing and some of the uses of 3D printing when it comes to creating a prototype of an idea. Participants will also learn the basics of CAD modeling and how to turn your models into 3D printable files. See attached flyer for more information.

Tomorrow: What is Ramadan?

This is a virtual event. Come and listen to Lincoln alum Dhuhhan Abdullah and Lincoln Adjunct Professor of Religion Curtis Morris as they share with the community what Ramadan is and what it means for college students to practice their faith during this holy month. An active link is included on the flyer.

Message from the Mailroom

Seniors/students not returning for the Fall 2022 must turn in their mailbox key by April 26 to avoid charges to your account. You can still receive mail and packages until you leave campus. In addition, please make sure all orders that you place will be delivered before you leave campus. The Mailroom will only forward packages at the student's expense. If you have a package that arrives after you have left, please send an email to mailroom@lincoln.edu to receive instructions on how to purchase a shipping label at www.usps.com. Check your LU Mailbox before you leave campus and check your LU email for any emails from the Mailroom about mail or packages.

Contact: *Kelly Griffith*

April 26: Alumni Mentor Program

This virtual event will cover important concepts of personal branding that are vital for professionals. Entrepreneurs and business students are encouraged to register. Please see below for more information.

Student Advising and Registration

The attached tip sheets will be helpful to you and to students for planning academic schedules and registering for classes. The information has been placed in the Student Wire, too. Students are encouraged to create their academic plan and see their advisor ASAP. The LU Self-Service team appreciates your support as we implement this upgraded system.
