Message from the Mailroom

Seniors/students not returning for the Fall 2022 must turn in their mailbox key by April 26 to avoid charges to your account. You can still receive mail and packages until you leave campus. In addition, please make sure all orders that you place will be delivered before you leave campus. The Mailroom will only forward packages at the student's expense. If you have a package that arrives after you have left, please send an email to mailroom@lincoln.edu to receive instructions on how to purchase a shipping label at www.usps.com. Check your LU Mailbox before you leave campus and check your LU email for any emails from the Mailroom about mail or packages.

Student Advising and Registration

The attached tip sheets will be helpful to you and to students for planning academic schedules and registering for classes. The information has been placed in the Student Wire, too. Students are encouraged to create their academic plan and see their advisor ASAP. The LU Self-Service team appreciates your support as we implement this upgraded system.
